Compassionate Home Health Care

#HolidayGivingCampaign
Our Mission

Compassionate Home Health Care, Inc. is a not for profit agency that supports services for children, the elderly, those with disabilities and those with special needs. Compassionate Home Health Care’s goal is to support services to our community member in their daily lives. Putting family and community ahead of profit makes us the right choice for you.

“A Community That Cares”
Our Values

At Compassionate Home Health Care, we offer a(n):

* Sincere * approach with

* Understanding * the needs of the individual while keeping a

* Positive outlook * and maintaining a

* Purposeful * intent while retaining an

* Open-mind * because everyone needs to be

* Respected * for who they are, and we will be

* Trusted * members of the community.
Our Vision

At Compassionate Home Health Care, we offer a(n):

**Selfless** attitude when giving support for your loved one

**United** approach that works in your loved one’s best interests

**Patient** demeanor because of our respect for the human condition

**Personable** manner because our world is not perfect

**Objective** ear for listening carefully to the needs of your loved one

**Reliable** source of support that you can count on

**True** sense of security knowing we are a part of this community together
What is the #HolidayGivingCampaign?

Each year, CHHC seeks to help subsidize the high cost of personal care items and cleaning supplies for those who struggle to purchase basic items. CHHC’s annual #HolidayGivingCampaign helps support community members by providing them with basic necessities, as many have to decide between food, personal hygiene, or food. Some of these include - shampoo, soap, toilet paper, laundry detergent and other items that are necessary for their everyday needs. CHHC collects items throughout the year to help those who face this struggle.

Each year, CHHC seeks the support of the community in the collection of items for our #HolidayGivingCampaign. The donations will be given to our community members throughout Outagamie, Winnebago, Calumet and Brown County, in light of the holiday season. Our goal is to help these individuals and their families have a cleaner and healthier start to the holiday season and new year.
Campaign Growth

When the #HolidayGivingCampaign began 6 years ago, we reached around 10 homes.

This number grew throughout the next 5 years to about 30 homes.

In 2017, we reached new heights by reaching 335 homes in the Fox Valley area.
Volunteers

Appleton North Honor Society and DECA organization
Fox Valley Lutheran High School Honor Society and DECA organization
Fox Cities Roller Derby
Appleton Missionaries
